Examiner's comment

(1) Applicant's election of claims 1-9 in the reply filed on Sept. 7, 2004 is acknowledged. Because applicant did not distinctly and specifically point out the supposed errors in the restriction requirement, the election has been treated as an election without traverse (MPEP § 818.03(a)).

(2) Covering letter of submission of Priority Document filed on July 16, 2004 is acknowledged. However, the certified copy of foreign application 2003-096675 has not been received (not seen in the IFW/e-file).

Examiner Amendment

An Examiner's Amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 C.F.R. § 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the Issue Fee.

This application is in condition for allowance except for the presence of non-elected claims 10-13 without traverse. Accordingly, claims 10-13 are canceled.

Reasons For Allowance

The following is an Examiner's statement of reasons for the indication of allowable subject matter:

The basis for the allowability is :

Prior art of record does not teach a step of patterning said electrode material layer by wet etching on the basis of the pattern of resist layer (11), forming the interval, and forming elements, a step of processing a surface portion of electrode

Art Unit: 2812

material layer so that an etching speed of the surface portion is made higher than that of the material forming said electrode material layer at least before the step (e).

Applicant is reminded that upon the cancellation of claims to a non-elected invention, the inventorship must be amended in compliance with 37 C.F.R. § 1.48(b) if one or more of the currently named inventors is no longer an inventor of at least one claim remaining in the application. Any amendment of inventorship must be accompanied by a diligently-filed petition under 37 C.F.R. § 1.48(b) and by the fee required under 37 C.F.R. § 1.17(h).

Any comments considered necessary by applicant must be submitted no later than the payment of the Issue Fee and, to avoid processing delays, should preferably **accompany** the Issue Fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
